Lugo Shirts

Posted Oct 21st 2007 3:05PM by Deidre Woollard

Filed under: [Apparel](#)

Our friends at Spungle are at it again, checking out the best things to buy in New York City. They recently mentioned new men's clothing store, Lugo which specializes in fine Italian shirts cut for those who want something tailored to the ideal male form, generous through the shoulders and slim through the torso. This is the shirt for someone who is seeking just a soupçon of sexy, nothing flashy, just a well-made shirt that highlights but does not reveal the body beneath. The shirts come with mother-of-pearl buttons and are available with French or button cuffs and with wide-spread or standard collars.
